

Have your say at information sessions about Planning for Our Future Generations

Muskoka Algonquin Healthcare continues to work through Stage 1 of the Ministry of Health and Long-Term Care capital planning process

At these sessions we will:

- Update you on progress of the Two Acute Sites model for the future
- Present the design options for building the future Two Acute Sites model
- Invite your feedback on the building options for the Two Acute Sites

Please attend a community information session to learn more
